

August 7, 2022

SPFSC Families,

As we enter August, the countdown to the Fall season has begun. We will keep communicating through newsletters, social media and the website to keep you up to date on what you need to know and what you need to do to be ready.

Don't Wait. Register Today!

Registration continues for the Junior Rec, Senior Rec and Diamond Academy programs through August 15. The U4/2019 Division is ALMOST FULL and has a hard capacity limit. We encourage you to register as soon as possible, particularly for that age group, as we will not be able to accommodate 2019 players once we reach capacity.

Please note that registration will officially close at the end of the day on August 15 and rostering will begin. Placement on a team is not guaranteed if you request registration post August 15. Availability will be determined based on the remaining needs for each age group.

You can find more information on the options available to you on our Player Progression chart (<https://www.spfsoccer.com/playerprogression/>). Additionally, you can access the registration links and learn more about the individual programs here:
